FIRST PICTURE OF BRITISH "TANK" USED IN SOMME DRIVE

On September 15 last the British War Office announcement regarding developments on the Somme front contained the following statement:

which proved of considerable utility." furious struggle in Europe has received more attention than the use of operations they proved invaluable by penetrating where it was impossible the armored motor car, known to Tommy Atkins as "tanks" or "Willies." for troops to go, and sweeping the enemy's ranks with gun fire

On the Somme the steel monsters have proved their worth, fairly demoralizing the Germans when they first rumbled toward them. The Cana-"We employed for the first time a new type of heavy armored car, dians' first great offensive, in Picardy in September, was brought to a successful conclusion by the aid of the "tanks," which lunged forward into Since the publication of that laconic dispatch no single feature of the the German trenches and cleared them completely of the enemy. In later

BRIDES MUST STILL "OBEY"

Episcopalians Put Off Change in Marriage Service

St. Louis, Oct. 16. Elimination of the word "obey" from the marriage service was recommended to-day in a minority report submitted by the joint commission on common prayer to the House of Deputies of the Protestant Episcopal General Convention. It was urged that the present injunction begining "Wilt thou obey him and serve dun. him?" be changed to "Wilt thou love him, comfort him, honor and keep him, in sickness and in health, and, forsaking all others, keep thee only unto

him so long as ye shall live?" Isaac and Rebecca lived faithfully to-"living faithfully together." It is pointed out that there is no reason why
